MAKING MONEY | B2C

These Singing "Artist Avatars" or Concept Videos are what we will provide to a Budding Market of millions of New Song Creators seeking to Showcase their Own Songs.

(And ANYONE who wasn't to be in A Music Video - i.e. Realtors, Lawyers, Teachers, Doctors, etc...)

We'll start with **Direct Sales** to that **Market Place** of those who have made A.I. Songs & Music they're now proud of and want to make a Video of themselves or one of our Avatars performing it.

Charging a Fair Price for each Personalized Video and Developing Shortcuts to cut costs along the way.

Other Income will come from **SYNC Opps** & releasing our Best "Cover" Versions of the Catalog Featuring Our "ARTIST AVATARS" in Multiple Languages & Styles to a World Audience.
